\* Kynar 500<sup>®</sup>/Hylar 5000<sup>®</sup> color. Contact your sales person for accurate pricing. Color variation between orders is normal and not cause for rejection. Panels manufactured in Copper Metallic must be installed in the same direction. See directional arrows or stickers provided on your panels. Copper Metallic available in Prime Only.

† Weathering and appearance variation, including color, sheen, and spangle, is common in non-painted materials and is not a cause for rejection. For consistent appearance, choose a paint-finished product.
